ABOUT US

E-EXHIBITION SERVICES

Founded in 2018, Exhibition Services is a company specializing in the manufacture, assembly, and installation of custom exhibition stands. Aiming to make a difference in the industry with its Maxima and modular stand solutions, our company is recognized for its customer – focused approach.

Our project process begins by understanding our clients' brand identity and objectives and is planned to best meet their expectations. Our creative and experienced team creates unique and impressive designs for each project; with modern and functional design elements, we ensure your brand stands out in the exhibition space.

During the design process, we present 3D visuals and detailed drawings to obtain our customers' approval. Our manufacturing process is carried out to the highest quality standards and with state-of-the-art equipment. Using durable and aesthetic materials, we produce long-lasting and functional stands.

Every detail is meticulously checked and flawless production is achieved by adhering to the design. Our experienced teams complete the assembly and installation phase quickly and safely; all technical details and safety precautions are taken into account during the setup of stands at the exhibition area. After installation, we check the functionality and aesthetics of the stands to provide a seamless service.

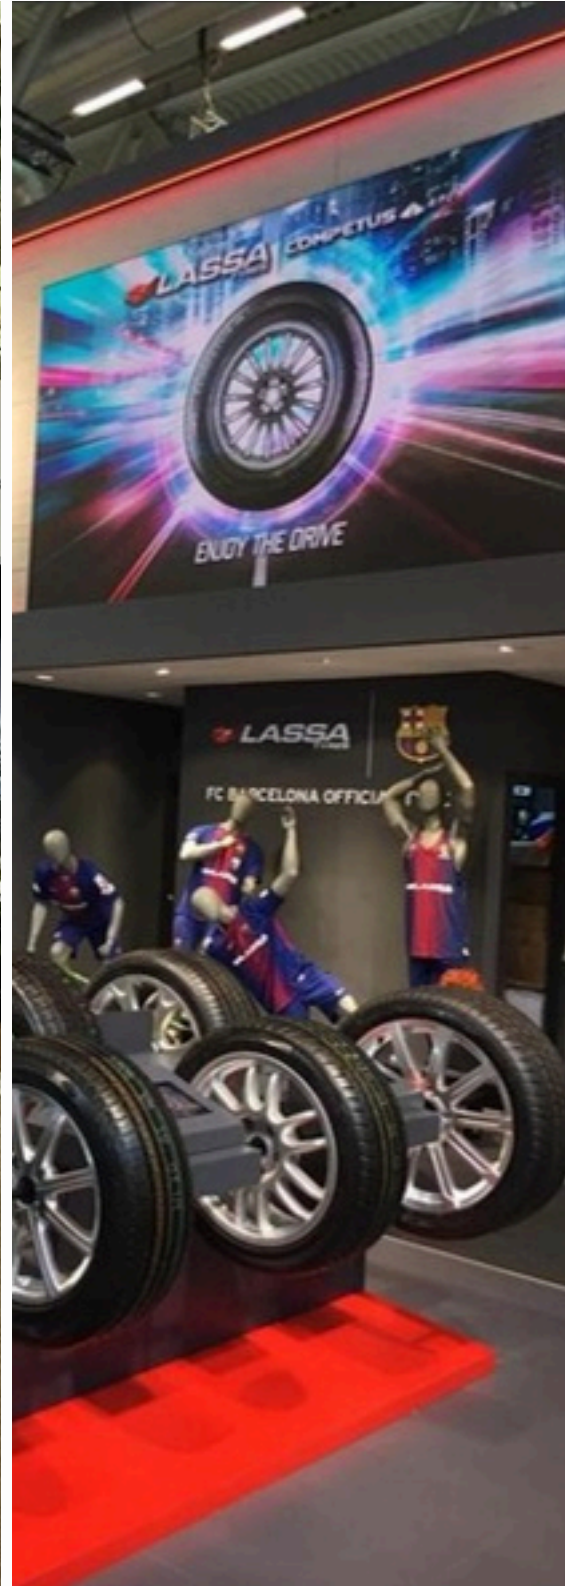

Maxima and modular stands offer significant advantages to trade show participants with their flexible design options and cost-effective solutions. These stands are adaptable to various trade show needs and stand out for their reusable features.

As Exhibition Services, we prioritize quality, aesthetics, and customer satisfaction. With our expertise in the design, manufacturing, assembly, and installation of custom exhibition stands, we ensure your brand stands out at trade shows. Driven by our passion for our work and our commitment to our customers, we continue to create projects that make a difference in the industry.
